**[PROPOSED] ORDER GRANTING PLAINTIFFS' MOTION FOR FINAL
APPROVAL OF SETTLEMENT AND CERTIFICATION OF SETTLEMENT
CLASS**

The Settlement Agreement dated September 3, 2008 (the "Settlement Agreement") between the Class Representatives, individual Plaintiffs, and Defendants provides for the Settlement of this lawsuit on behalf of the Class Representatives and the Class Members that have not opted-out, subject to the approval by this Court. Pursuant to an Order dated October 9, 2008 ("Preliminary Approval Order"), the Court scheduled a hearing (the "Fairness Hearing") on February 13, 2009, to consider the approval of the Settlement Agreement and the Settlement reflected in it.

Defendants deny any wrongdoing, fault, violation, of law, or liability for damages of any sort. Defendants have stipulated to the certification of this class for settlement purposes only.

In accordance with the Preliminary Approval Order, Notices were sent by 1st class mail to the Class Members and an affirmation of mailing of the Notices has been filed with the Court, demonstrating compliance with this Court's Order regarding Notice.

A Fairness Hearing was held before this Court on February 13, 2009 to consider among other things, whether the Settlement should be approved by this Court as fair, reasonable, and adequate, and whether Class Counsel's request for approval of attorney's fees is reasonable and should be approved by this Court.

NOW THEREFORE GOOD CAUSE APPEARING, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. This Order incorporates by reference the definitions in the Settlement Agreement, and all capitalized terms shall have the same meanings as set forth in the Settlement Agreement, unless otherwise defined herein.
2. The Court finds, for reasons outlined in greater detail and on the record at the February 13, 2009 fairness hearing, that the class proposed only for purposes of the Settlement meets the requirements of Fed. R. Civ. P. 23 §§ (a) and (b)(3), and hereby certifies a settlement class in the Litigation as follows:

Plaintiffs and all servers, bussers, runners, bartenders and bar-backs employed by Balthazar or Pastis Restaurant from January 8, 2002 through October 9, 2008, excluding Abel Basi,

Pablo DiZeo, James Kamish, and Deanna Pacelli, individuals that opted-out of this litigation.

3. This Court approves the Settlement and all terms set forth in the Settlement Agreement and finds, for reasons outlined in greater detail and on the record at the February 13, 2009 fairness hearing, that the Settlement is, in all respects, fair, reasonable, adequate and in the best interest of the Class Members, and the Parties to the Agreement are directed to consummate and perform its terms. The individual payments to Class Members are attached to this Order as Exhibit A.

4. This Court approves Class Counsel's application for an award of attorneys' fees of \$495,000.

5. This Court approves the Enhancement Awards set forth in the Settlement Agreement of \$7,500 each to David Webster, Anna Shin, Andrew Bergh, Levon Semoniantz, and Isaac Conner.

6. The entire Litigation is dismissed with prejudice, and without costs to any party. All Settlement Class Members who have not opted out of this Litigation are barred and permanently enjoined all from participating in any other collective or class action lawsuit against the Releasees, or any of them, concerning the Claims settled in the Action.

7. The Parties having so agreed, good cause appearing, and there being no just reason for delay, it is expressly directed that this Order Approving Class Action Settlement and Dismissal with Prejudice be, and hereby is, entered as a final order.
